INSTRUCTIONS TO APPLICANTS

SECTION 1 - GENERAL INFORMATION

1.1 Background

The Vancouver Organizing Committee for the 2010 Olympic and Paralympic Winter Games (“VANOC”) intends to prequalify businesses desiring to act as licensees for the non-exclusive manufacture, sale and distribution of licensed apparel carrying marks associated with VANOC or with the Vancouver 2010 Olympic and Paralympic Winter Games as further described in Schedule 1- Project Information Sheet.

VANOC licenses may include the right to sell licensed apparel through wholesale and/or retail channels, as well as the right to distribute premiums to VANOC and its sponsors and government partners. A description of the categories of apparel for which licensees are being sought and other licensing information is set out in Schedule 1- Project Information Sheet. Please also refer to Schedule 1 for a description of certain businesses that are ineligible to seek licenses for VANOC apparel. This is the first of a number of Request for Expressions of Interest and Statements of Qualifications (“EOIs”) that will be issued by VANOC in the coming months relating to licensing of merchandise. Categories of future EOIs may include without limitation Headwear, Hardgoods and Novelty items and Confectionaries/consumables.

1.2 Prequalification Process

Interested parties (“Applicants”) are required to respond to this EOI in accordance with the terms of these Instructions to Applicants.

In this first phase of the two-phase process, responses to the EOI are being requested in order to afford VANOC the opportunity to evaluate Applicants’ expertise and to select a short-list that will then be invited to submit a proposal. This EOI process is aimed at encouraging businesses with the required level of experience and expertise to participate. Qualified Applicants must demonstrate specific and significant experience with the licensing of apparel.

This document will provide you with all of the information you will need to apply for prequalification, including a description of the product(s) VANOC intends to license, a list of our evaluation criteria, and the format to be used for submissions.

1.3 Requests for Proposals

Applicants who prequalify may be invited to submit proposals in response to a Request for Proposals (“RFP”) from VANOC. VANOC anticipates distributing the RFP during the month and year indicated in Schedule 1 - Project Information Sheet.

1.4 Licensing Program Information

The Licensing Program information with respect to the product(s) that will be the subject of the RFP is attached as Schedule 4.

1.5 Prequalification Documents

This EOI consists of:

- (a) Instructions to Applicants (“ITA”); and
- (b) Schedules as follows:
 - (i) Schedule 1 — Project Information Sheet
 - (ii) Schedule 2 — Letter of Application;

 - (iv) Schedule 4 — Receipt Confirmation Form.

(Collectively, the “Prequalification Documents”)

Applicants are required to complete and return Schedule 4 – Receipt Confirmation Form to VANOC by delivery, courier or fax as noted thereon.

If VANOC issues any addenda to the Prequalification Documents, such addenda will form part of the Prequalification Documents and VANOC will distribute the addenda only to recipients of the Prequalification Documents who have completed and returned Schedule 4 – Receipt Confirmation Form to VANOC.

SECTION 2 - QUALIFICATION CRITERIA

The Participant in Charge shall be the licensee of record and shall be authorized by the other joint venture participants to incur liabilities and receive instructions for and on behalf of any and all participants of the joint venture. A statement to this effect shall be included in the authorization set out in Section 3.2.

4.2 Clarification Meeting

It is not currently anticipated that a clarification meeting will be required in respect of these Prequalification Documents. However, VANOC reserves the right to convene a clarification meeting, with reasonable notice to the parties who have completed and returned Schedule 4 – Receipt Confirmation Form to VANOC and not less than one (1) week prior to the closing time stated in Schedule 1 - Project Information Sheet (“Closing Time”), if a clarification meeting is, in the opinion of VANOC, necessary.

If an Applicant fails to provide comprehensive and accurate information that is essential for VANOC's evaluation of the Applicant's qualifications, or fails to provide timely clarification or substantiation of the information supplied, that failure may result in no further consideration being given to the Application.

5.5 Material Changes

Proponents in the RFP process will be required to update key prequalification information at the time of proposal submission. Prior to the award of agreement, the successful proponent in the RFP process will be required to confirm its continued status.

SECTION 6 - REVIEW OF APPLICATIONS

Notwithstanding the foregoing or any other provision of these Prequalification Documents, VANOC may at its sole discretion elect to retain for consideration Applications which deviate non-materially from the format requirements set out in Schedule 3 hereto or which otherwise fail non-materially to conform to any other requirement of these Prequalification Documents.

SECTION 7 - NOTIFICATION AND RFP PROCESS

7.1 Notification of Prequalification

Following the Closing Time, VANOC will notify all Applicants in writing of the results of their Applications. After this notification, VANOC may invite Prequalified Applicants to submit a proposal under the RFP process.

7.2 Changes after Prequalification

Any change in the structure or formation of a Prequalified Applicant shall be subject to prior written approval of VANOC prior to the deadline for submission of proposals. VANOC may deny that approval if, as a consequence of any change, the change in the structure or formation of the Prequalified Applicant, as presented, would have affected whether or not the Applicant would have prequalified in the first instance.

7.3 VANOC Rights

- (1) VANOC may unilaterally take the following actions, and shall not be liable for any such actions:

The Applicant acknowledges that VANOC has no contractual obligations whatsoever arising out of this prequalification process.
- (3) The Applicant acknowledges and agrees that the prequalification of an Applicant pursuant to these Prequalification Documents is a preliminary step only in VANOC's procurement process. Each successful Applicant will be evaluated further under any subsequent RFP evaluation process. The information VANOC expects it will solicit as part of any subsequent RFP process is identified in Schedule 1 – Project Information Sheet.

7.4 Information Disclaimer

- (1) VANOC and its directors, officers, employees, agents, consultants and advisors are not liable or responsible for any verbal or written information, or any advice, or any errors or omissions which may be contained in the Prequalification Documents or the schedules, data materials, or documents disclosed or otherwise provided to the Applicant pursuant to these Prequalification Documents.
